### ACHIEVEMENTS

---

#### 1. Full Stack Python Developer at Naresh IT (Nov 2023 – Present)

### PROJECTS

---

#### 1. Stone paper scissor game:

In the final year of my graduation, I create my first game using python programming language. I used only python for creating this game

#### 2. My portfolio Web portal:

In the final year of my graduation, I designed my portfolio website where I managed all data that is related to me including my personal details, photos through a web portal. I used html, CSS, and Java script for my designing the website.

#### 3. Music Player :

During Internship in Naresh I Technology, I did music player project. I used html, CSS, java script for designing the website.

#### 4. Student Information Page:

During Internship in Naresh I Technology I did a project where we can add student marks along with Roll-No and Name. IN this web Page we can add N number of students. And we can check that they pass in exam or not. I used Django, MySQL, Python, Html and CSS for developing web-page
